DETAILED ACTION

Continued Examination Under 37 CFR 1.114

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on 3/29/10 has been entered. Claims 1-14 and 23-30 are currently pending.

Allowable Subject Matter

2. Claims 1-14 and 23-30 (now renumbered claims 1-22) are allowed.
3. The following is a statement of reasons for the indication of allowable subject matter:
- (A) Claims 1-14 and 23-30 (now renumbered claims 1-22) are directed towards a system and method for populating a knowledge base used in validating medical claims.

The closest prior art of record includes Jones (7,571,107) and McIntosh (2002/0128874).

However, the closest prior art of record does not teach wherein the at least one claim element comprises at least one edit deduced from the information related to the field from the claim form, an edit comprising a directive of an insurance provider to correct or reject an insurance claim under specified circumstances. The closes prior art of record further does not teach the application comprising a determination of a match between a pattern of the at least one edit and a pattern of the at least one knowledge base population rule.

4. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
